PROJECT INFORMATION:

ADDRESS/LOCATION: 1703 South Main Street, Mount Airy, Maryland 21771

COMP. PLAN: Residential Existing “zoning”

WATER/SEWER: W-1/S-1 Existing/Final planning existing service no change

ACREAGE: 21,780 sq. ft.

HISTORY / BACKGROUND:

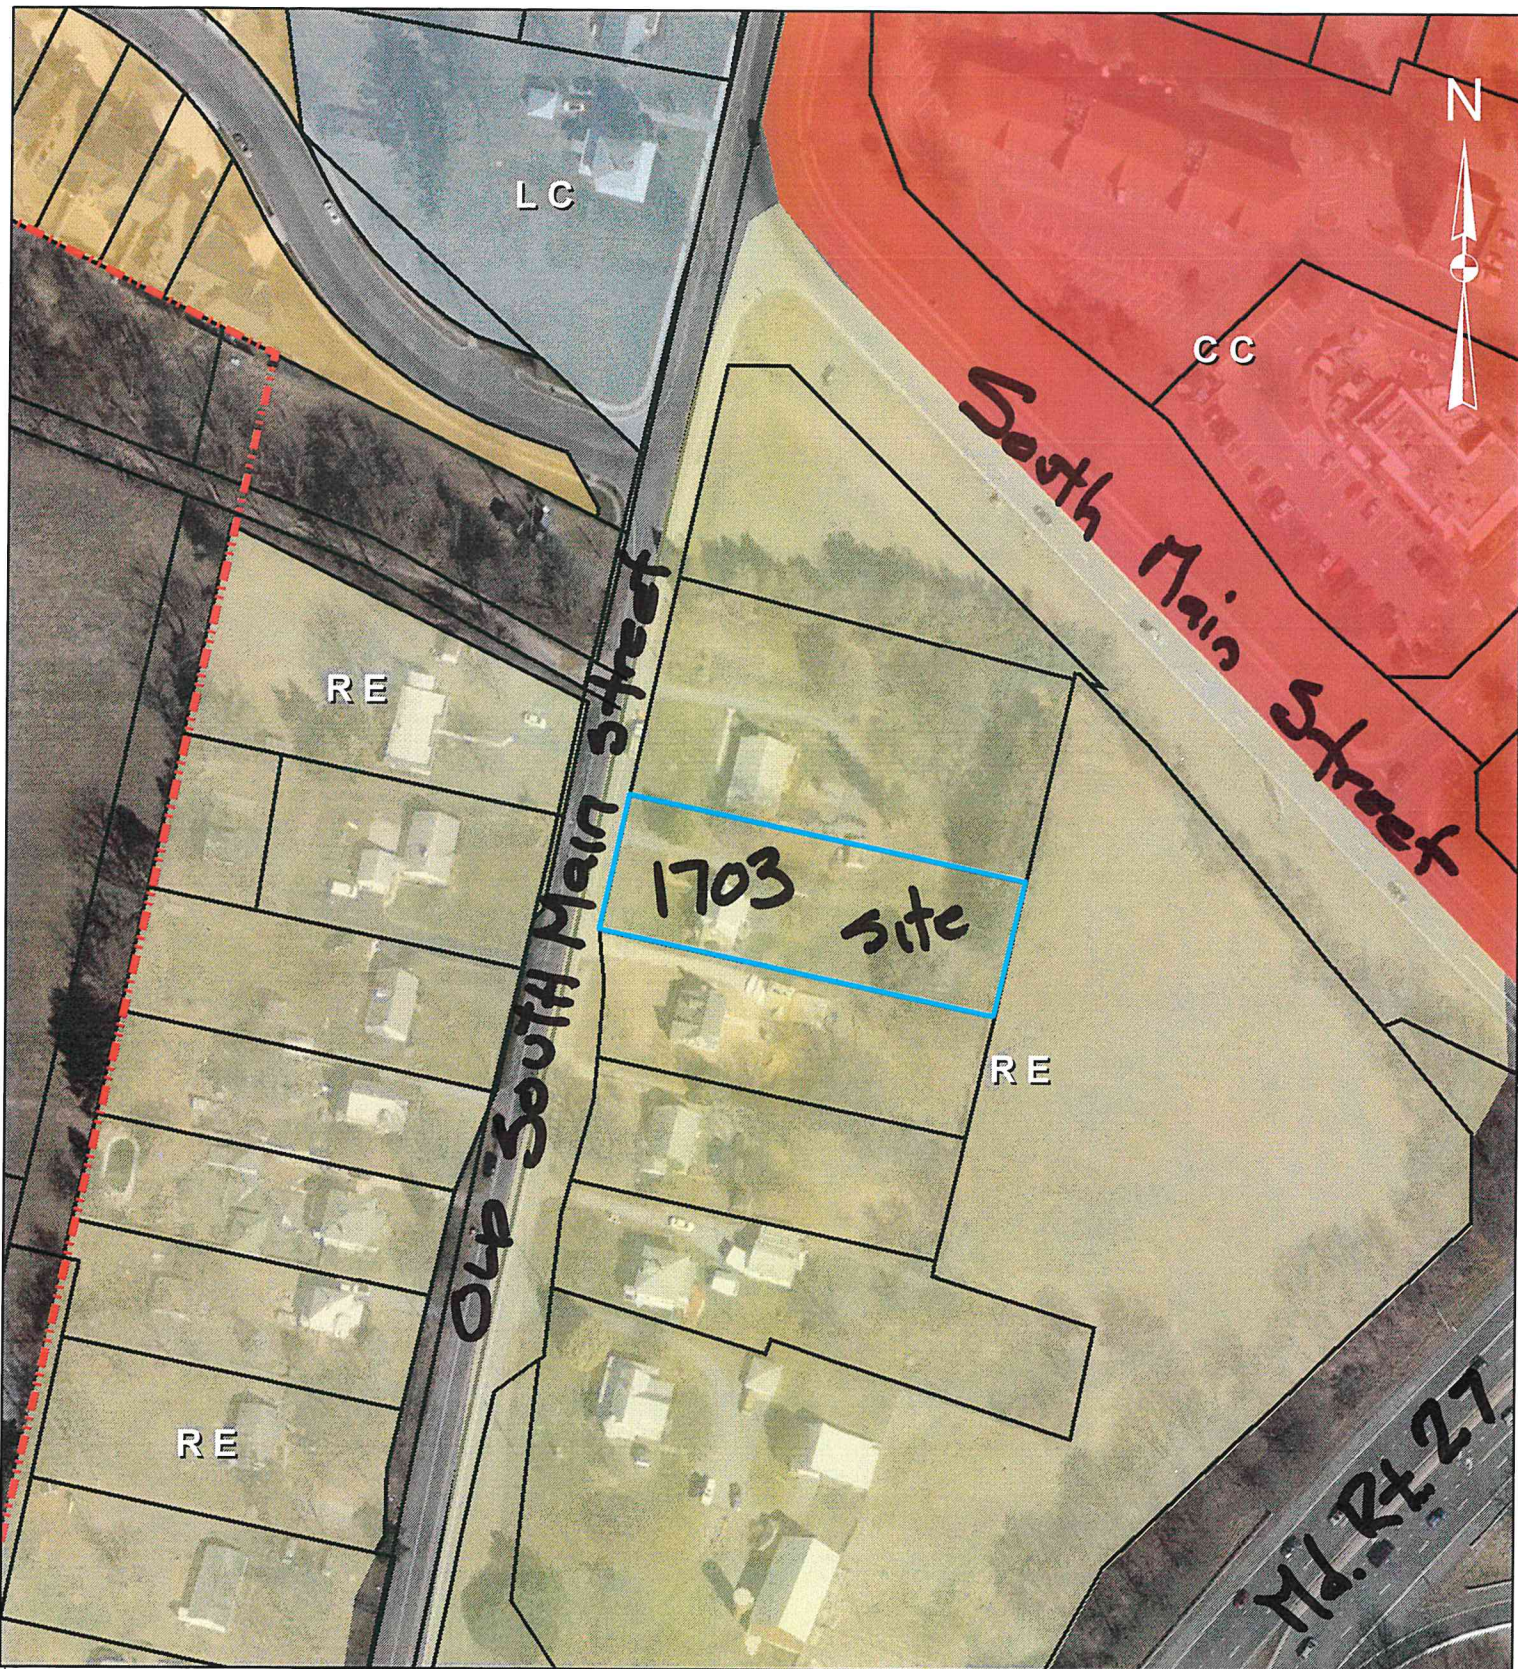

1703 South Main Street has been an existing residential structure in use from 1948 to the present. The house is located on the east side of the old State Road 27, now known as South Main Street “extended” which used to be Main Street of the Town of Mount Airy for decades.

Back in the early 1970 Md. Rt. 27 was constructed which serves as a bypass around the downtown of Mount Airy. (Old) South Main Street, which is now a dead-end street where this property is located.

The owners are requesting Planning Commission to approve their request from the current zoning of RE – Residential Existing to CC – Community Commercial Zone.

Staff recommendation:

Staff is recommending this parcel be considered for rezoning if the property at 1801 South Main Street is rezoned to CC – Community Commercial. That this parcel is to be considered for rezoning to LC – Limited Commercial creating a step down from the rezoning of 1801 South Main Street.
